I'm writing my pleading to have on continuance for attaining a lawyer in my case. One firm was considering my case, even wanted me to send them my paperwork. When they had looked into the case further, through the web, they thought I was lying to them. Stating to me that my case had been settled. Please, could you give me the website, and I think this is the case number to the case I've been provided with 2 case numbers and I'm still uncertain which one is correct.

I've contacted you many of times concerning Dewit about my paperwork that Freking has not cooperated with me, keeping from me in my files. I know for a fact, that they've retained evidence that I require to prove my case. How can I get a lawyer with out my proof? I've contacted some lawyers and they told me to get ALL my paperwork from their files. I recall you stated that it would be 3 to 4 months down the road, if I needed a continuance. I need this time to find, the proper representation for this case. Please send the rescheduled date at 1 (513) 35-0817, P.O. Box 31356 Cin, Ohio 45231.  
Thank You!
